

September 14, 2023

Dear Parent or Guardian,

The Wonewoc-Center School District will once again be offering an After-School Program(B.A.S.E-Beyond Academic Student Enrichment) to assist students with homework completion and to help students improve their reading and math skills.

The program will run for students in grades Kindergarten through 8th grade. We understand that at the middle school level attendance may change because of a child's involvement in extracurricular events.

The B.A.S.E program will run from right after school until 4:30 on days it is in session. Students will receive an after school snack, a short recess, and time for school work.

The district **will not be providing transportation** home from the school, so parents or a designee should make arrangements to be here at 4:30pm.

The program will be held Tuesday, Wednesday, and Thursday nights after school. Students may select one night, two nights, or all three nights. Students should keep the same nights each week. It makes it difficult to keep track of all the students if they are constantly making changes.

The first night of the B.A.S.E program will be Tuesday, October 3rd, 2023.

If you are interested in having your child participate in B.A.S.E , please fill out and return the attached form to their classroom teacher or the district office.

Mrs. Brooke Bankenbush will be in charge of the program this year.

If you have any questions, please don't hesitate to contact us.
